FACILITIES CALENDAR OF EVENTS

Miura

Miura On-Demand Steam Boilers Deliver Better Efficiency

Miura's LX Gas/Low NOx Series – Low and High Pressure Steam Boilers are one of the most reliable and efficient in the world. The modular on-demand steam capability makes Miura boilers well-suited for multi-boiler installations, while operating at greater efficiency throughout the day and reducing wear and tear. 888-309-5574

Absolutely the best.

GravityFlo™ 20 Gallon
Portable Eyewash
SSE4300

We've spent over 60 years perfecting our process and product offerings, while building a coast-to-coast supply chain that ensures we get our customers what they need, when they need it. It's why we're focusing those resources and expertise to become your trusted property and facilities maintenance partner.

[New Look For Inside APPA](#)

Following a review of the *Inside APPA* newsletter and receiving feedback from readers, APPA staff, and the Information and Research Committee, we have revamped and reduced the newsletter to be more readable with quick-hit topics and highlights. The old format, with 2-3 stories in each of the 6-8 news categories, became too inflated with longer pieces that stretched each issue to the equivalent of 10 pages. Our new format will highlight no more than 5-6 featured topics or programs, each linked to a content page with further information. The new *Inside APPA* is a work in progress, and we invite you to send your questions, comments, or suggestions for improvement to [Steve Glazner](#).

[APPA 2018 Call For Papers](#)

Submission Final Deadline is October 31, 2017

APPA invites you to submit a program presenting solutions for improvement, sharing of best practices, or innovative approaches relevant to facilities professionals throughout the educational community. The APPA 2018 annual conference [August 3-5, 2018 in Washington, DC] offers an opportunity for you to be part of the outstanding professional development program, network with fellow educational facilities professionals, and share effective strategies to the many challenges facing our campuses and the built environment.

[Attend Your Regional Conference!](#)

Support your APPA region by attending its upcoming conference. The revenue generated from business partner sponsorships and exhibits and your registration fees support the regions' scholarship programs, Supervisor's Toolkit presentations, APPA credentialing, and much more. The professional development and networking opportunities are significant for you and your staff.

MAPPA/CAPPA Joint Conference – Sep 17-21, St. Louis, MO
RMA – Sep 18-22, Jackson Hole, WY
SRAPPA – Oct 25-28, Charlotte, NC
ERAPPA – Oct 29-Nov 1, Washington, DC

[Introducing the APPA Young Professionals Program](#)

APPA's Emerging Professionals program has evolved into the APPA Young Professionals (AYP) program, which is aimed at facilities professionals age 35 years or younger and have recently begun careers in facilities management. AYP members bring important characteristics to APPA and the educational facilities profession, such as:

- Fresh new ideas and different perspectives to share
- A desire to be engaged and be active at the chapter, regional, and international levels
- Motivation to be engaged with the broader membership

- An interest in mentoring opportunities
- Different modes of information technology
- An aspiration for growth in leadership and a career in facilities management

Contact [Kristin Witters](#) for more information and to participate.

[APPA and ACUHO-I Collaborate Again on the Annual Housing Facilities Conference](#)

Herman Boone, legendary high school football coach of *Remember the Titans* fame, will be the keynote speaker at the annual ACUHO-I/APPA Housing Facilities Conference, to be held October 16-19 in Atlanta, GA. Concurrent programs will include sustainability, custodial and grounds, development of housing facilities staff, security challenges, facility condition assessments, housing construction, and much more.
