

and long-term performance for virtually any roofing system. Every Polybrite product provides superior protection and improved energy efficiency, deflecting damaging heat and solar UV rays while helping to maintain cool building temperatures. Because of their energy efficient characteristics, Polybrite products comply with Cool Roof Rating Council (CRRC) ratings for solar reflectance and thermal emittance. They are also Miami-Dade County-approved. For more information about Polyglass USA visit [www.polyglass.com](http://www.polyglass.com).

**TyRex, LLC** presents the New TY150GSC Gas-Powered Fastening System. This fastening system is five times faster than powder actuated fastening systems, but requires no OSHA training or licensing to operate. With 20,000 volts of ignition power, the TY150GSC operates in ex-

treme conditions, and with a wider variety of fuel cells. Powered by TyRex's 34g fuel, this new fastening system delivers 67 ft-lbs of driving force from an ergonomic design weighing just 8.3 pounds. A full comfort resilient grip reduces operator fatigue. Rear two-step loading is quick and easy for right or left handed operators. This new high-speed gas-powered fastening system is ideal for commercial construction projects like fastening drywall track, wood furring, hat channel, ceiling grid to concrete, concrete block and steel. For further information visit TyRex, LLC at [www.tyrextools.com](http://www.tyrextools.com). 

New Products listings are provided by the manufacturers and suppliers and selected by the editors for variety and innovation. For more information or to submit a New Products listing, e-mail Gerry Van Treeck at [gvtgvt@earthlink.net](mailto:gvtgvt@earthlink.net).
