

**Tregaskiss** now offers its semi-automatic TOUGH GUN™ MIG Guns. These air- and water-cooled MIG guns are built-to-order and feature durable and easy-to-maintain components that lower the total cost of ownership. TOUGH GUN Air-Cooled MIG Guns are available in 350- to 650-amp models, while the water-cooled versions offer 400- and 600-amp capabilities. Both gun models include a durable cable strain relief on the front and back ends
