

A THANKS TO OUR TRILOGY AUTHORS

More than 40 facilities professionals volunteered countless hours to write a chapter in one or more of the new books in the APPA trilogy, *Operational Guidelines in Educational Facilities*. Their contributions and dedication to the asset management profession truly go above and beyond the typical call to service. Kudos to the following authors:

About APPA

APPA promotes leadership in educational facilities for professionals seeking to build their careers, transform their institutions, and elevate the value and recognition of facilities in education. APPA provides members the opportunity to explore trends, issues, and best practices in educational facilities through research, publications, professional development, and credentialing. Formerly the Association of Physical Plant Administrators, APPA is the association of choice for 5,200 educational facilities professionals at more than 1,500 learning institutions throughout the United States, Canada, and abroad.
