

**Knight Electronics'** Educational Products Division, a manufacturer and supplier of medical, trade, and educational products, and training equipment, now offers a series of infrared cameras that provide affordable thermal imaging for building diagnostics and preventive maintenance. The rugged FLIR i-Series infrared cameras provide accurate point-and-shoot thermal imaging and temperature detection to help find sources of energy loss, locate moisture damage, detect mechanical wear, check energized equipment, justify repairs, and minimize maintenance and

downtime costs. The FLIR i-Series infrared cameras are an easier, faster, far more accurate and a safer alternative to IR thermometers. For more information about Knight Electronics visit [www.knightedu.com](http://www.knightedu.com).

New Products listings are provided by the manufacturers and suppliers and selected by the editors for variety and innovation. For more information or to submit a New Products listing, e-mail Gerry Van Treeck at [gvtgvt@earthlink.net](mailto:gvtgvt@earthlink.net).
