## BECOME AN APPA OFFICER: NOMINATIONS FOR 2014 NOW OPEN

APPA's strong and steady volunteer leadership is one of the core forces making it the "association of choice" for educational facilities professionals. Consider becoming a candidate for an elected APPA officer.

Elected officers gain enormous leadership skills and a chance to develop professionally in many meaningful ways, as it provides a major opportunity to give back to the entire profession. Being an APPA elected official does require a personal commitment of time and energy. However, past elected officers will tell you the personal rewards and professional benefits outweigh the costs of engagement and time commitments. There are five elected officer leadership positions, three of which will be on the 2014 ballot: President-Elect, Secretary-Treasurer, and Vice President for Professional Affairs.

Consider nominating yourself—or others—for the one that best matches your passion and areas of expertise. Learn more at [www.appa.org/board/electedofficers.cfm](http://www.appa.org/board/electedofficers.cfm).

**All applications and nominations for APPA office are due no later than  
December 16, 2013.**
