

# Congratulations to the 2017 Recipients of APPA's

The APPA Award for Excellence is designed to recognize and advance excellence in the field of educational facilities. Originally established in 1988, the Award for Excellence is APPA's highest institutional honor and

provides educational institutions the opportunity for national and international recognition for their outstanding achievements in facilities management. The award is designed to highlight the essential role of

## Universidad Panamericana Mexico

**Location:** 3 campuses: Mexico City, Aguascalientes, and Guadalajara  
**Type:** Private, Four-Year  
**Students:** 6,020  
**Facilities staff:** 180

Letter that the Universidad Panamericana received from the President of Mexico after they were awarded the AFE at the APPA National Conference in July 2017.

Mexico City  
August 2nd, 2017

Attention  
Doctor Jose Antonio Lozano Diez  
Rector of Universidad Panamericana

*It is a pleasure to extend my congratulations to the Universidad Panamericana for obtaining the International Award for Excellence 2017 – given by APPA in the category of Leadership in Education Facilities.*

*It is the highest Honor that this award is presented to an Educational Institution for excellence in the Operations area and for exceptional achievements in the Administration, and the Universidad Panamericana is the first one in Latin America to obtain it.*

*Sending cordial greetings, wishing you much success and achievements to come.*

# Award for Excellence in Facilities Management

facilities operations in the overall institutional mission and vision. Award for Excellence nominations are evaluated using the same criteria applied through the Facilities Management Evaluation Program (FMEP)

in the areas of: leadership; strategic and operational planning; customer focus; information and analysis; development and management of human resources; process management; and performance results. 

## University of Colorado Anschutz Medical Campus

Imagine a world where high-performance LED is easy and affordable to install and use. Retrofitting with Ephesus All Field makes it possible. All Field fixtures are small, light, and aerodynamic enough to repurpose your existing poles and crossarms, and require fewer fixtures to provide greater efficiency, brightness, and glare suppression with decreased light spillage and skyglow. Not only do they outshine the competition, they bring your venue into this century via wireless tech, like Bluetooth, web-based access, and control options. Ephesus All Field puts advanced LED technology **WITHIN YOUR REACH.**

 **ephesus All Field**

\*Data is for lights operating for an average of 10 years

# DON'T WASTE MONEY ON THINGS YOU DON'T NEED

## < CUT THE COST OF INSTALLATION IN HALF

Our All Field is the only LED field lighting system able to fully adapt to your existing infrastructure. This eliminates the expenses for new poles, crossarms, demolition, engineering, and foundations.

## BRIGHTER LIGHT, LESS HARDWARE >

Our highly efficient All Field fixtures deliver more foot-candles of light with fewer overall fixtures. This means less hardware to buy for installation.

BULBS REPLACED

MAINTENANCE EVENTS

## < MAINTENANCE FREE

Ephesus All Field fixtures don't use bulbs, so you save considerable time and money over the replacements needed with HID. Plus, our fixtures operate maintenance free for 25 years.

## GIVE IT THE GREEN LIGHT >

Ephesus All Field produces more light while consuming less energy. This equates to a 66% reduction in energy costs over HID while providing 66% more light.
