

available at the Apple App Store or the Google Play Store. The app works with a mobile device to provide enhanced tool control and detailed tool-usage feedback, including battery-charge status. For additional detailed information on Bosch visit www.boschtools.com.

ECORE, a manufacturer of safe, ergonomic, and acoustic performance surfaces for commercial and athletic markets, has streamlined its ECOsurfaces product offering to include 32 colors. Available in rolls and tiles, this high-performance, durable, vulcanized composition rubber flooring offers an ergonomic solution with superior slip resistance and enhanced acoustic properties. ECOsurfaces features an array of metal- and wood-like neutrals accented by splashes of complementary colors. ECOsurfaces' ergonomic and acoustic properties make it an excellent alternative to concrete and carpet, while adding warmth and comfort to the interior landscape. ECOsurfaces of-

fers sophisticated, welcoming design options for a wide range of applications, including corporate interiors, educational institutions, public spaces, and hospitality and retail environments. To learn more about ECOsurfaces visit <http://www.ecorecommercial.com/Products/Composed/ECOsurfaces>. 

New Products listings are provided by the manufacturers and suppliers and selected by the editors for variety and innovation. For more information or to submit a New Products listing, contact Gerry Van Treeck at gvtgvt@earthlink.net.
